

# FlashEx...Solid State Drive (SSD) Shredder

## Fast, Effective, In-House Destruction for Data Centers

### OVERVIEW

For the fast effective destruction of SSDs, nothing compares to the intimus FlashEx. This powerful, simple to use shredder destroys SSD Drives down to waste particles of only 4mmx15mm (DIN 66399 Level E-3). The FlashEx's small footprint and quiet operation make it ideal for any environment.

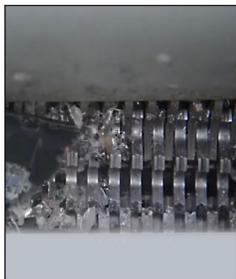

FlashEx is also versatile. In addition to SSD Drives, it is perfect for Credit Cards, Optical Media, Smartphones and USB Sticks.

### FEATURES & SPECIFICATIONS

- Low noise / Low dust – use it right in the data center
- Destroy up to 200 SSDs per hour
- Reduces waste to 4mm x 15mm particles
- Auto Reverse for easy clearing of jams
