

INTIMUS 100 CP4

Medium / High Volume Paper Shredders

**NEW
& IMPROVED**

The **intimus 100 CP4** has a proven track record as a dependable high volume paper shredder. Now we've further enhanced its performance with several new features. The 100 CP4 provides a high degree of security and peace-of-mind by effortlessly shredding documents to 3.8 x 36 mm crosscut particles. It can also be used for intermittent shredding of credit cards, CDs, foils, and floppy disks.
